The numbers that matter most are the ones nobody shares. This course reveals them.

Using Carta's proprietary data on 40,000+ startups, we'll take a data-driven tour through the startup lifecycle—from co-founder equity splits to IPO—exposing the benchmarks founders won't share and the math investors won't explain.

PRECURSOR VENTURES

CHARLES HUDSON

MANAGING PARTNER & FOUNDER, PRECURSOR VENTURES · FORMER PARTNER, UNCORK CAPITAL

Founded Precursor in 2015 to write the first institutional check into pre-seed companies; the firm has raised four funds, manages $250M+, and has backed 400+ companies including The Athletic, Juniper Square, and Modern Health. Previously a partner at Uncork Capital, and before venture, co-founder and CEO of Bionic Panda Games. Chaired the NVCA board in 2023–24 and lectures at Stanford GSB.

HOSTED BY LORENZO BARBERIS CANONICO, PRESIDENT OF CASSANDRA LABS

08 WRITING THE FIRST CHECK

How a pre-seed fund decides with almost no data — and what the economics look like from the other side of the table

01 What a pre-seed investor underwrites with no product and no revenue

02 Check size, ownership targets, and how fund math shapes the offer

03 Why pre-seed runs on SAFEs, and what that does to the cap table later

04 Portfolio construction: how many bets a fund needs, and why that matters to you
